

C Major

PARALLEL MOTION

Parallel Motion exercise in C Major. The exercise consists of five measures. The first measure shows the right hand (RH) starting on C4 and the left hand (LH) starting on C3. The RH moves up stepwise (C, D, E, F, G, A, B, C) and the LH moves up stepwise (C, D, E, F, G, A, B, C). The second measure shows the RH starting on C5 and the LH starting on C4. The RH moves up stepwise (C, D, E, F, G, A, B, C) and the LH moves up stepwise (C, D, E, F, G, A, B, C). The third measure shows the RH starting on C5 and the LH starting on C4. The RH moves down stepwise (C, B, A, G, F, E, D, C) and the LH moves down stepwise (C, B, A, G, F, E, D, C). The fourth measure shows the RH starting on C5 and the LH starting on C4. The RH moves down stepwise (C, B, A, G, F, E, D, C) and the LH moves down stepwise (C, B, A, G, F, E, D, C). The fifth measure shows the RH starting on C5 and the LH starting on C4. The RH moves down stepwise (C, B, A, G, F, E, D, C) and the LH moves down stepwise (C, B, A, G, F, E, D, C). Fingering is indicated by numbers 1-5 above or below the notes.

CONTRARY MOTION

Contrary Motion exercise in C Major. The exercise consists of five measures. The first measure shows the right hand (RH) starting on C4 and the left hand (LH) starting on C3. The RH moves up stepwise (C, D, E, F, G, A, B, C) and the LH moves down stepwise (C, B, A, G, F, E, D, C). The second measure shows the RH starting on C5 and the LH starting on C4. The RH moves up stepwise (C, D, E, F, G, A, B, C) and the LH moves down stepwise (C, B, A, G, F, E, D, C). The third measure shows the RH starting on C5 and the LH starting on C4. The RH moves down stepwise (C, B, A, G, F, E, D, C) and the LH moves up stepwise (C, D, E, F, G, A, B, C). The fourth measure shows the RH starting on C5 and the LH starting on C4. The RH moves down stepwise (C, B, A, G, F, E, D, C) and the LH moves up stepwise (C, D, E, F, G, A, B, C). The fifth measure shows the RH starting on C5 and the LH starting on C4. The RH moves down stepwise (C, B, A, G, F, E, D, C) and the LH moves up stepwise (C, D, E, F, G, A, B, C). Fingering is indicated by numbers 1-5 above or below the notes.

THIRDS

Thirds exercise in C Major. The exercise consists of five measures. The first measure shows the right hand (RH) starting on C4 and the left hand (LH) starting on C3. The RH moves up stepwise (C, D, E, F, G, A, B, C) and the LH moves down stepwise (C, B, A, G, F, E, D, C). The second measure shows the RH starting on C5 and the LH starting on C4. The RH moves up stepwise (C, D, E, F, G, A, B, C) and the LH moves down stepwise (C, B, A, G, F, E, D, C). The third measure shows the RH starting on C5 and the LH starting on C4. The RH moves down stepwise (C, B, A, G, F, E, D, C) and the LH moves up stepwise (C, D, E, F, G, A, B, C). The fourth measure shows the RH starting on C5 and the LH starting on C4. The RH moves down stepwise (C, B, A, G, F, E, D, C) and the LH moves up stepwise (C, D, E, F, G, A, B, C). The fifth measure shows the RH starting on C5 and the LH starting on C4. The RH moves down stepwise (C, B, A, G, F, E, D, C) and the LH moves up stepwise (C, D, E, F, G, A, B, C). Fingering is indicated by numbers 1-5 above or below the notes.
